In my humble opinion an additional Medical Establishment may be sanctioned as a special case, without waiting for savings which after all are problematical.

There is no provision in the budget (Estate Rd, 1903-04) as the scholarship has been sanctioned by H.H the Maharaja as a special one

In para 3 of the order the Dfl of Edn has however been requested to report whether savings could be pointed out in the sanctioned heads of the budget wherefrom the charge involved for the current offl year could be met

The order sanctioning a scholar-
-ship of Rs 25 a month for 5 years
from the 1st July '03 to George Pate was issued Vide
GO. No 2342/3 Ed dated the 17th Nov '03

In para 3 of the order, the Dfl
was requested to report whether savings
could be expected in the sanctioned heads
of the State Fund budget of the current
year wherefrom re-appropriations
could be made to meet the charges
of the scholarship for this year

The Dfl in his letter No 3970/123
dated the 7th Nov: 03 refers to the saving
of Rs 30 a month, being the provision of
one of the three Engineering scholarships
not availed of this year (1903) The Dfl's
letter was written prior to the receipt
of GO of the 17th Instant and hence
it is a recommendation to sanction
the scholarship in favour of George Pate
Now that the scholarship having been already
sanctioned to George Pate, the question
of meeting the charge sanctioned remains

Remarks to be considered. The
saving of Rs 30 is available and
out of which only Rs 25 a month
will be appropriated. Though in the
same head Scholarships, the
provision set apart for Engineering
Scholarships will be utilised for
granting a medical scholarship
